ARCHDIOCESE OF
Regina

Dear Friends and Supporters of the Rebuilding Our Church Campaign,

We have great news to announce today: after a number of generous donations in late 2020 and early 2021, we have reached a total of slightly over **\$6.58M!** To see the gifts that have brought us this far, see our **Campaign Gift Chart** here:

You can find more information on the campaign website at <https://rebuildingourchurch.ca>. Here are a few highlights on the site:

Because we recognize the need to use your financial support wisely, we have a steering committee that is meeting regularly with **project manager Teresa Drew** to ensure that the complexities of this project are handled effectively. This is the biggest archdiocesan undertaking since the building of Holy Rosary Cathedral over 100 years ago, and we are excited to help this effort be successful.

We would like to thank you for being open to learning about the project. Special thanks to the **major donors, clergy, archdiocesan staff, Holy Rosary and other parish leaders and volunteer team members** who have already supported it financially. We are making steady progress despite the pandemic.

If you have already donated or pledged, we thank you from the bottom of our hearts. Your receipt for 2020 funds given will be sent out within the next few weeks.

If you have questions or comments, if you know potential donors we can follow up with, or if you would like a pledge form to fill out, simply let us know! You can reach us at rebuilding@archregina.sk.ca, or you can call our campaign director, Lisa Smith, at 306-529-5502.

In hope and gratitude,
Your campaign team
