

REBUILDING OUR CHURCH

C A P I T A L C A M P A I G N

ARCHDIOCESE OF
Regina

Dear Friends and Supporters of the Rebuilding Our Church Campaign,

We are happy to announce that more people have generously shared their resources with our archdiocese via this project, and our new total is **\$6.75M**, or almost 40% of our goal!

As you know, the Rebuilding Our Church project has two components: restoring Holy Rosary Cathedral, and creating a permanent pastoral ministry centre on the cathedral grounds. Below is more information about each of these two places.

Holy Rosary Cathedral

Have you seen the video tour of the parts of the cathedral you won't see at Mass? You can find it here: <https://youtu.be/4ig22YH7hf8>

The Archdiocesan Pastoral Ministry Centre

Are you curious about the work that is done at and from the Pastoral Centre? In addition to helping our parishes navigate the pandemic, archdiocesan staff work very hard to provide our parish priests with what they need.

It would be hard to be a parish without the service and leadership of a priest. The Archdiocese of Regina has about 60 active priests, 1/3 in Regina and 2/3 in smaller cities, towns and rural areas. There are also about 20 retired priests.

Here are some of the main supports provided:

- 1) Nurturing priestly **vocations**;
- 2) Helping support the **education** of seminarians and deacons;
- 3) **Ordinations**;
- 4) **Welcoming** international priests and helping them adapt to Canada;
- 5) **Placement** of priests in parishes;
- 6) Priest education through clergy **study days**;
- 7) Priest spiritual support through clergy **retreats**;
- 8) **Liturgical support** and adaptations for local needs;
- 9) Priest **payroll management**;
- 10) **Organization Facilitation Committee** to help work through parish issues.

With gratitude,
Your campaign team
